### **Introduction of the Programmes**

The Department of Insurance and Valuation of the Wayamba University of Sri Lanka is the pioneer education center devoted to provide academic qualifications in risk and insurance education in Sri Lanka. The Department has positioned its name by successfully conducting high quality academic programmes in the area of risk management and insurance for internal and external students.

By fulfilling the national need in risk and insurance education in Sri Lanka, the Department of Insurance and Valuation has planned to commence the next intake of the Diploma and Higher Diploma Programmes after its curriculum revision. Further the department has planned to continue the programme leading to B.Sc. Degree in Risk Management and Insurance.

The curriculum of the programme is designed to take the student through three progressively higher levels of achievement, Diploma, Higher Diploma and Degree level, each with its distinct set of hard and soft skills and employment prospects. Further, the program has been specially designed to develop academic and professional competencies in its followers to suit for the career development in the disciplines of Risk Management, Insurance and General Business Management both locally and globally.

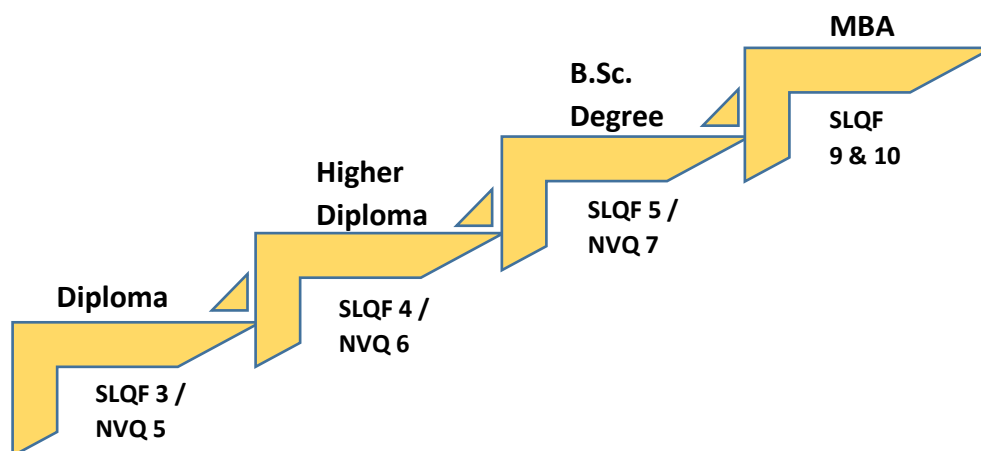

### **Salient Features of the Programme**

- Fulfilling the academic requirements of Sri Lankan Qualification Framework (SLQF) and professional requirements of Insurance industry locally and globally.
- Opportunity for progressive higher levels of achievement (diploma, higher diploma, degree and postgraduate) each with its distinct set of hard and soft skills and employment prospects.
- Outcome-based teaching, learning and assessments with relevant quality assurance practices.
- Academically and professionally qualified, well experienced teaching panel.
- Blended modes (online & onsite) of teaching, learning and assessment of each course module.
- Significant credit exemptions can claim under the qualification frameworks of main professional examinations in Insurance.
- Higher recognition in the insurance industry.
- Trusted for on time completion.

### **Qualification Ladder**

You can achieve the following academic qualifications in the Wayamba University of Sri Lanka under the programmes of Risk Management and Insurance.

1. Diploma in Risk Management and Insurance
2. Higher Diploma in Risk Management and Insurance
3. B.Sc. Degree in Risk Management and Insurance
4. Master of Business Administration (MBA) in Risk Management and Insurance
